general information

OUT-OF-TOWN DIRECTORIES

Directories of other cities may be obtained by calling your local Business Office. Telephone directories of the principal cities and towns in the United States may be consulted at our Business Office.

TARIFFS

"Tariffs which are on file with the Public Service Commission of Indiana showing rates, rules and regulations are available in our business office for public inspection."

AUTOMATIC ANSWERING SET

Certain telephones are equipped with an automatic device, known as an automatic answering set, which answers the telephone mechanically. It then makes a recorded announcement. If your call is answered by an automatic answering set, listen carefully for the announcement which will be self-explanatory. Some sets will also record a message from the caller.

WHEN YOU HEAR A "BEEP" TONE

A short "beep" tone heard on your telephone line about every 15 seconds means that the person with whom you are talking is recording your conversation. This signal is provided by the telephone company for your protection. Use of a recorder without recorder-connector equipment containing a tone-warning device is contrary to the company's tariffs and is not permitted. If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect the recording machine. When it is disconnected, you will no longer hear the "beep" tone.

CUSTOMER PROVIDED EQUIPMENT

Equipment, apparatus, devices or systems not furnished by the Telephone Company may be used with the Companies' telephone instrument and associated equipment provided such use complies with the Company's tariffs. These tariffs are designed in the interest of good telephone service and to prevent hazards to customers and Company employees.

EMPLOYEE IDENTIFICATION CARDS

For your protection, every employee who visits the customer's premises carries an official identification card showing his or her name and signature. If you have the slightest doubt about anyone who says he's from the telephone company, please ask to see his card.

DIRECTORY LISTINGS

Every effort is made to make the directory as accurate as possible. The company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

obscene or harassing phone calls: emergency calls on party lines:

DON'T TALK to nuisance callers; they are looking for an audience. HANG UP if the caller does not say anything, does not identify himself satisfactorily, or uses improper language. CALL POLICE if a threat is made. Call your INDIANA BELL Business Office if such calls persist; specially-trained telephone people will work with you and police to apprehend the caller.*

* **INDIANA STATE LAW:** Whoever telephones another person and addresses to or about such other person any lewd, lascivious or indecent words or language; or whoever telephones another person repeatedly for the purpose of annoying, molesting or harassing such other person, or his or her family, shall be deemed guilty of a misdemeanor, and, upon conviction, shall be fined in any sum not exceeding five hundred dollars (\$500.00), to which may be added imprisonment in the county jail not exceeding six (6) months.

guarding against fraud:

For your protection, new equipment and procedures enable the Telephone Company to detect and investigate fraudulent calls.*

* **INDIANA STATE LAW** provides that no person shall defraud or attempt to defraud the Telephone Company of its lawful charges. Violations, upon conviction, are subject to imprisonment up to one (1) year or to a fine of up to one thousand dollars (\$1,000.00) or both.

State law requires you to hang up the receiver of a party line telephone immediately when told the line is needed for an emergency—a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency.*

* **INDIANA STATE LAW:** It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days . . . It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.
