## Directory advertising standards

Millions of people "let their fingers do the walking" and shop the Yellow Pages. They find the Yellow Pages an easy, convenient source of telephone numbers and buying information.

Readers also should know that steps have been taken to assure the reliability of the directory by making certain that all information meets our strict Advertising and Listing Standards. These standards are designed to bar listings or advertising copy that is misleading, inaccurate, makes unfair competitive statements, promotes unlawful activity or fails to comply with basic standards of good taste.

Of course, the fact that services and products are included in the Yellow Pages does not mean they are endorsed by the telephone company. Just as with any other sort of paid advertising, it is up to you — the consumer — to be a smart shopper. Review advertising information carefully. Call the business if you have questions. Compare companies, products and prices.

If you are not satisfied with what you buy, call, write or visit the business to seek a solution. And if you still have a question or problem, remember there are consumer organizations, trade associations, law enforcement and other government agencies to contact for help.

## Establishing Service

If your home or business is already wired for telephone service, contact Indiana Bell. We will arrange to activate your phone line for local and long distance telephone calls.

If your home or business is not wired for phone service, Indiana Bell can install and maintain your wiring or you can arrange to have the wiring installed yourself. See "Wiring Options" on page 5.

If you don't have your own telephone sets Indiana Bell can lease certain telephone equipment to you or you can order telephones and other communications equipment from a retail store. These stores could be listed in the Yellow Pages under "Telephones" or "Telephone Equipment and Systems."

### Information needed for your order

1. Complete name and street address where you want service (including apartment number, if applicable).
2. Type of telephone service you want. See page 5 for available options.
3. The number, type and color of telephones you want, if you plan to lease them from Indiana Bell, or the registration numbers of your telephone instruments if you purchased them from a retail store.
4. Other optional telephone services you may want. See "Optional services at additional charge" on page 6.
5. Arrangement for installation of any needed inside telephone wiring. See "Wiring Options" on page 5.
6. How you want your name to appear in the next issue of the telephone directory.
7. Information about your previous telephone service.
8. Other credit information, including employment. (No telephone credit information is given out to others without your permission.)

### Establishing Credit

If you have not had previous telephone service, you may be required to pay a deposit to obtain service.

As an alternative to paying a deposit, you may provide a letter from another customer willing to guarantee a payment on your bill if that customer has established telephone credit and his/her guarantee is acceptable to the company.

A deposit ordinarily will be two months' estimated billing for your local and long distance service. If you have a satisfactory payment record for telephone service within the last two years, you may not be asked to pay a deposit.

### Deposits earn 6% interest

Deposits earn interest from the date of deposit at the rate of 6% per annum. However, a deposit is refunded after 9 months if your phone bills are paid by the date listed on the bill. The deposit is held as security if credit has not yet been established. If telephone service is disconnected, your deposit with earned interest is applied to your final bill.

### An advance payment may be required

When you order new service, you may be required to make an advance payment to cover the installation charges. If you make an advance payment, it will be subtracted from your first month's bill.

### Prompt payment means good credit

Your credit standing is determined by your promptness in paying your telephone bill. Payments should be received at the telephone company by the payment date on your bill. No telephone credit information is given out to other businesses.

## Repair Service

### Home telephones, public (coin) telephones and business telephones

Culver 611

Repair centers answer calls 24 hours a day but repair personnel are generally sent out during normal working hours only.

Call Repair Service for problems caused by Indiana Bell-leased phone sets, outside telephone wiring or wiring inside your home or business installed by Indiana Bell. There usually is no charge.

If a visit is made and the trouble is with customer-provided inside wiring or equipment, a charge may apply.

Trouble with your telephone service may come from any of three sources:

1. The telephone set
2. Wiring inside your home or business
3. The telephone line outside

### Modular "plug-in" phones are easy to check

If you have more than one phone, unplug the one from which you first detected the problem. Plug another phone into the jack and see if the problem still exists. If it doesn't, chances are the trouble is in the first phone.

If the problem is in the phone, return it to the supplier from whom you got it, or follow the repair instructions on the warranty.

If it's an Indiana Bell-leased phone, call Repair Service and we will arrange for replacement of the phone.

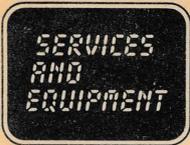

### If you're unable to determine the source of your telephone problem

Indiana Bell Repair Service can advise you whether the problem appears to be in the equipment, inside wiring or the telephone company lines.

## Wiring Options

Most customers with regular or one-button phones have two options for installing the telephone wiring inside their homes or businesses. They can have Indiana Bell do the work for them or they can arrange their own installation of inside telephone wiring.

Doing your own wiring might be easier than you think, and it can save you money. Materials can be purchased from Indiana Bell and other suppliers. We also have a how-to-do-it booklet which includes safety precautions. Your Business Office can supply you with a brochure on Federal Communications Commission (FCC) approved "Standards for Customer Premises Inside Wire."

## Types of home telephone service

The following are basic types of phone lines in your area:

(Telephone exchange boundaries may differ from city boundaries. A zone charge may also apply depending on the location of your service.)

**Two party line — unmeasured . . .** This party line allows you to make all your local calls for the same charge each month.

**Private line — unmeasured . . .** This private line allows you to make all of your local calls for the same charge each month.

**Four party line — unmeasured . . .** This party line allows you to make all of your local calls for the same charge each month. A zone charge always applies in addition to the monthly charge. (This service not available in all areas.)

*NOTE: Monthly rates are for access to the total communications network. Telephone instruments are not included.*

**The rates on this page were correct as of the date this directory was printed. Current rates and charges are always available from your Business Office**

## How to connect/ disconnect your phones

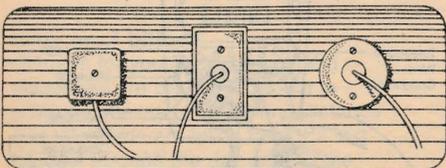

Drawings 1 through 4 show standard wall sockets, or jacks, for modular telephone cords. To install, match the plug at the end of the cord with the jack, and insert. To disconnect, squeeze the clip on the plug and pull it out of the jack.

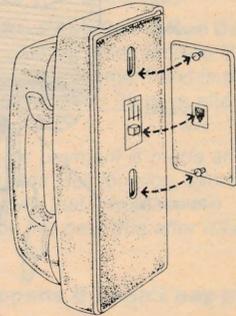

The drawings below show non-standard jacks. You can use these with modular phones by putting an adapter in between. Plug the adapter into the jack, then plug the cord into the adapter. Contact your Service Representative.

The drawings below show outlets for non-modular phones. These outlets can be converted for use with modular phones. Contact your Service Representative.

A wall mounted telephone is shown below. To connect, match the holes in back of the phone with the wall mounting rivets. Push the phone lightly against the mounting and slide it down into place. To disconnect, slide the phone up to lift it off the rivets, then pull it away from the wall.

## Removing non-modular wall telephones

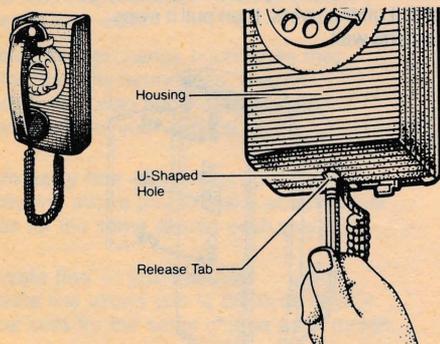

The instructions beginning below and continuing on page 8 are for non-modular wall telephones only. If your wall telephone is modular, see instructions on this page, left hand column.

Prevent incoming calls by lifting the handset off the hook. You can do this at the wall phone you are removing or at any other phone connected to the same number. Ignore any tones you hear through the handset. You will need a screwdriver and a pair of insulated wirecutters. Follow steps 1-5 on page 8 for the type of wall telephone you have. Then follow steps 6-8 for all types of wall phones.

Do not attempt to remove your wall telephone during severe weather conditions, such as thunderstorms.

Continued ▶

### Steps 1 through 5 for traditional wall telephones (rotary dial)

1. Be sure handset is off the hook.
2. Find the U-shaped hole in the bottom of the wall telephone, where the handset cord enters the wall set.
3. Place a small blunt object, such as a pencil eraser, against the release tab in the U-shaped hole.
4. Press in on the bottom of the housing while pressing up with the eraser on the release tab, and release the housing.
5. Pull the housing toward you, unhook the latch on the spring at the top of the wall set, and remove the housing.

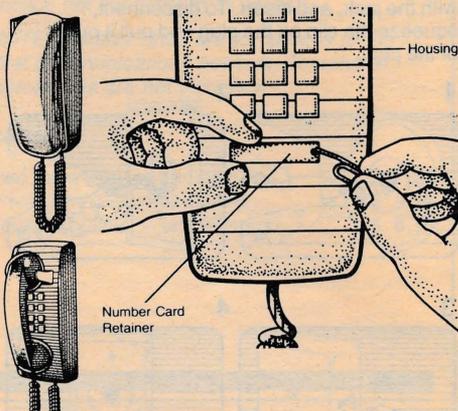

### Steps 6 through 8 for all wall telephones

6. Find the telephone wires entering the phone. (If you have to remove the base of the phone from the wall to do this, remove the mounting screws that hold the telephone set to the wall.)
7. Using the insulated wirecutters, cut the four colored conductors (red, green, yellow and black) that come from the wires just above the screw lugs.

If your telephone has six conductors, use the wirecutters to cut them, too. These wires are also color-coded;

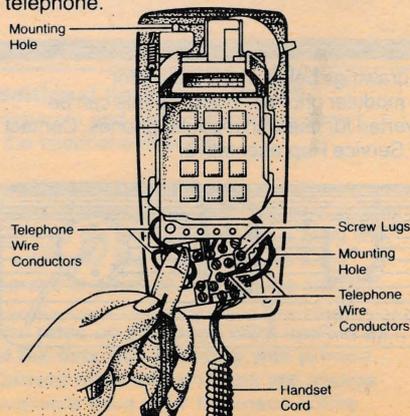

- blue with white band
- white with blue band
- orange with white band
- white with orange band
- green with white band
- white with green band

### Steps 1 through 5 for other wall telephones (e.g. push button and Trimline® sets)

1. Be sure handset is off the hook.
2. Find the small hole on the side of the clear plastic number retainer card.
3. Insert a small pointed object, such as a straightened paper clip, and gently bend outward until the plastic retainer pops out.
4. Remove the paper number card to expose the two screws underneath.
5. Remove these two screws and lift the housing off the base.

8. Remove the mounting screws holding the phone in place, and remove the wall telephone.

## Paying by mail

### We appreciate your payment by mail

A return envelope is included with each monthly bill. Please include page 1 of the bill with your payment or note your telephone number on your check. If the return envelope is not available, address payments to:

Indiana Bell Telephone Company

## Questions about your bill

### How am I billed?

Charges for your local service and equipment are billed one month in advance. Message units, long distance and telegrams are billed from the last bill date through the day prior to the current bill date; charges for installing or changing equipment are billed the same way.

### How is my bill date determined?

Your billing date is determined by your telephone number and is the same date each month. It is shown on your bill.

### When will I receive my bill?

You should receive your bill approximately 10 days after your billing date.

### What is the Past Due After Date?

This is the date by which Indiana Bell should have your payment and is printed on your bill. It is 24 to 28 days after your billing date.

(NOTE: If the payment is made at other than an Indiana Bell location, allow a few days to ensure that it reaches the company by the past due after date.)

### What happens if I can't pay my bill on time?

If you can't pay by the Past Due After date call your Service Representative. We may be able to make payment arrangements in case of illness or other circumstances beyond your control.

Indiana Bell does not apply an extra charge for bills paid after the past due date, but repeated late payments may impair your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments may also result in your phone service being disconnected.

### What should I do about questions or mistakes on my bill?

Call your Service Representative who can answer questions, investigate possible errors and provide information about bills. Your Service Representative's telephone number is on your bill.

### How can I get service restored if it has been disconnected for nonpayment?

All charges billed for service must be paid before your service can be reconnected. You will also have to re-establish your credit and, as a result, a deposit will probably be required.

You must also pay a charge to have your service reconnected. The cost would be \$25.00 if the bill is paid in full within ten calendar days after disconnection. Beyond the ten calendar days, the charge would vary from \$43.00 on up based on the type and amount of work.

## How to call Directory Assistance

For local numbers dial:

**1 + 411**

For numbers within your area dial:

**1 + 555-1212**

For numbers outside your area dial:

**1 + Area Code  
+ 555-1212**

For the telephone numbers of businesses and people who have "800" numbers dial:

**1 + 800 + 555-1212**

## Charges for Directory Assistance

Indiana Bell customers have a basic five-call allowance each month for calls to local Directory Assistance (1 + 411). Up to five additional calls to 1 + 555-1212 are allowed if the requests are offset by billed customer-dialed long distance calls within the home area code during the same monthly period. Directory Assistance calls over the allowance cost 20 cents each. Directory Assistance placed through the "0" Operator cost 40 cents each.

Directory Assistance charges do not apply to calls from hospitals and coin telephones.

There is no charge for Directory Assistance calls outside the customer's home area code.

Business customers with PBX service are allowed five calls monthly per trunk to local Directory Assistance (1 + 411). Up to five additional calls to 1 + 555-1212 are allowed if the requests are offset by billed customer-dialed long distance calls within the home area code during the same monthly period.

## Five ways to save on Directory Assistance charging

1. Use the directory. Most calls to directory assistance are for numbers which are listed.
2. Write down the numbers that you call frequently. You may wish to circle or underline a number in your directory to quickly find the number a second time.

3. To get the telephone number of someone who has recently moved, call the old number. A new number reference is generally provided.

4. Save the inconvenience of a second call to Directory Assistance by supplying complete information the first time: exact location, accurate spelling and full names.

5. If you are not sure of the name or spelling of a restaurant, theater, store, union or business, check the Yellow Pages under the appropriate heading.

### How to obtain directories

Additional directories or directories for other areas may be obtained by calling your Business Office. In some cases a charge may apply for out-of-town directories.

## Services for persons with disabilities

Indiana Bell provides telecommunications services and equipment for customers with motion, vision, speech and hearing disabilities, including

- TDD/TTY (Telecommunications devices for the deaf) services
- Operator service and directory assistance charges exemptions
- Directory listings for TDD/TTY users
- Discounts on long distance calls on your home phone service

If you, or someone you know, could benefit from these special services, call your Business Office, or contact our

### Operator Assistance for TDD/TTY-users

If you use a TDD and need help placing local, long distance, collect, Calling Card, third number or other Operator-assisted calls, you can reach TDD/TTY Operator Services any time by dialing the toll-free number:

**1-800-855-1155 (TDD only)**

**Do-it-yourself inside wiring**

To save time and money, you can install, add or change the location of a phone in your home. Call your Business Office for information. A brochure is available that describes our wiring products and offers some helpful planning tips.

**Use left-in equipment**

If the telephones have been left by the last resident of your new home or apartment and you are satisfied with them, be sure to mention this to the Service Representative when you order your telephone service.

**Install everything at once**

Every time you have telephones installed or service changed certain one-time charges apply. Save money by having all installation work done at one time.

**Letter of guarantee instead of deposit**

You have the option of providing the telephone company with a letter from a person or firm with established telephone credit willing to guarantee a payment on your bill. This can be used instead of a deposit.

**Take and save when moving**

If you are moving, or discontinuing service ask your Service Representative about our Set Recovery Plan. You may save \$4 for each telephone you return to us or reuse at your new location.

**Ask for a pay phone refund**

If one of our pay phones collects your money but you don't talk to anyone, report it by dialing the "0" (Operator) from another phone. We'll see that the phone gets fixed and mail you a refund.

**Make special arrangements when on an extended vacation**

If you are going to be gone for several months or more, call your Service Representative to see if you may save by having your service temporarily suspended. There is a charge for making this change of service, but you may benefit from the reduced rates which apply through the time you reestablish service. Your calls may be referred to another number while you are away for an additional charge.

**Schedule and plan your calls**

If you call someone frequently, try to set a specific time when he or she will be there to receive your long distance call. That way, you can always call station-to-station and save. Plan the things you want to say to save calling time.

**Look in the book**

You can avoid Directory Assistance charges by looking up your own numbers in the directory. Also, jot down frequently called numbers and keep them next to your telephone.

**Dial direct and save**

It costs less when you dial long distance calls yourself.

Collect, credit card and coin phone calls require the services of an Operator; so do requests for time and charges and calls billed to another number. Calling person-to-person always costs the most.

**Extra equipment costs more**

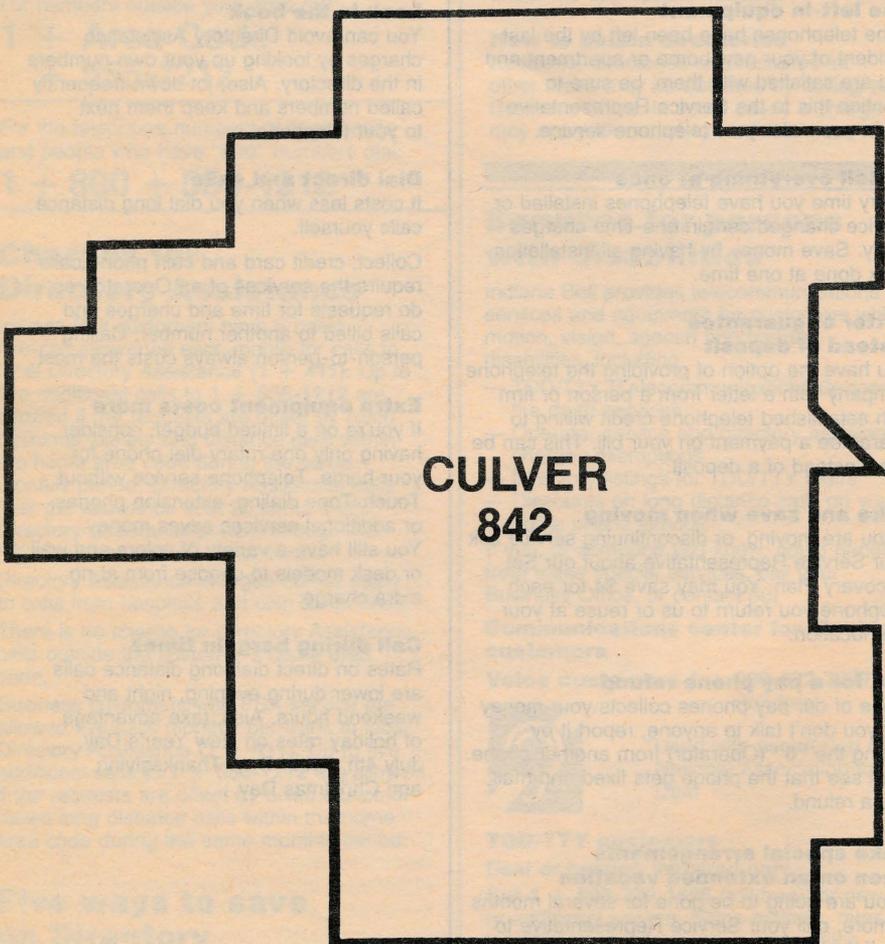

If you're on a limited budget, consider having only one rotary dial phone for your home. Telephone service without Touch-Tone dialing, extension phones, or additional services saves money. You still have a variety of colors and wall or desk models to choose from at no extra charge.

**Call during bargain times**

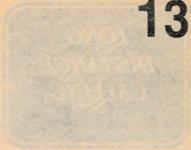

Rates on direct dial long distance calls are lower during evening, night and weekend hours. Also, take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day.

# Community locations and numbers

The first three digits of telephone numbers within geographical locations are shown on this map. *It does not indicate your local calling area.*

## Calling telephones in your local calling area

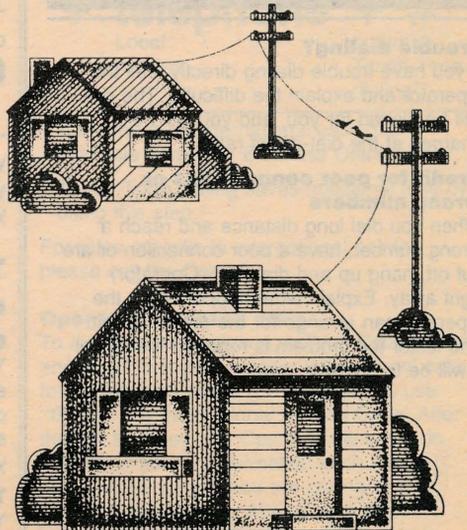

**from** numbers beginning with prefixes listed in this column

**to** numbers beginning with prefixes listed in this column, dial the listed number. All other calls are long distance.

Culver

**842**

Calls from Culver to places not shown on map are long distance. See pages 14, 15, 16, 17, 18 and 19 for dialing instructions.

**LONG  
DISTANCE  
CALLING**

### Dialing direct

Long distance rates are lowest when you dial the call yourself and speak with anyone who answers.

#### To place a dial-direct call:

within the 219 area, dial

**1 + phone number**

outside the 219 area, dial

**1 + Area Code  
+ phone number**

### Operator-assisted calls

Operator-assisted calls include the types of calls listed on this page and page 15. Charges for these calls are on pages 17 and 19.

#### To place an Operator-assisted call:

within the 219 area, dial

**0 + phone number**

Outside the 219 area, dial

**0 + Area Code  
+ phone number**

### Trouble dialing?

If you have trouble dialing directly, call the Operator and explain the difficulty. The call will be placed for you, and you will be charged at the dial-direct rate.

### Credit for poor connections or wrong numbers

When you dial long distance and reach a wrong number, have a poor connection or are cut off, hang up and dial "0" (Operator) right away. Explain what happened so the Operator can arrange for the proper credit. The faster the problem is reported the easier it will be to give you credit.

### Calling (credit) Card calls

If you have a Calling Card (credit card) you can place long distance calls and have them charged to your telephone bill. Charges for Calling Card calls are on pages 17 and 19. Calling Cards can be obtained by calling the Business Office.

#### From Touch Tone® phones:

within the 219 area, dial

**0 + phone number  
(wait for tone)  
+ Calling Card number**

outside the 219 area, dial

**0 + Area Code  
+ phone number  
(wait for tone)  
+ Calling Card number**

After you have dialed the number, you will hear a special tone. Immediately key in your Calling Card number.

#### From rotary dial phones:

within the 219 area, dial

**0 + phone number**

outside the 219 area, dial

**0 + Area Code  
+ phone number**

When the Operator comes on the line say you're placing a Calling Card call and give your card number.

### Types of Operator-assisted calls

#### Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the Operator comes on the line, say you're placing a collect call and give your name.

#### Third-number calls

## Calling (credit) Card calls

If you have a Calling Card (credit card) you can place long distance calls and have them charged to your telephone bill. Charges for Calling Card calls are on pages 17 and 19. Calling Cards can be obtained by calling the Business Office.

### From Touch Tone® phones:

within the 219 area, dial

**0 + phone number**  
(wait for tone)  
**+ Calling Card number**

outside the 219 area, dial

**0 + Area Code**  
**+ phone number**  
(wait for tone)  
**+ Calling Card number**

After you have dialed the number, you will hear a special tone. Immediately key in your Calling Card number.

### From rotary dial phones:

within the 219 area, dial

**0 + phone number**

outside the 219 area, dial

**0 + Area Code**  
**+ phone number**

When the Operator comes on the line say you're placing a Calling Card call and give your card number.

## Types of Operator-assisted calls

### Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the Operator comes on the line, say you're placing a collect call and give your name.

### Third-number calls

You may have long distance charges billed to an authorized third telephone number. Dial the

call and when the Operator comes on the line say you'd like to charge your call to a third number and give the Operator that number including the Area Code.

### Time and charges

When placing a long distance call you may ask the Operator to tell you the length of time you talked and how much it cost. Dial the call and when the Operator comes on the line say that you will want time and charges when the call is completed.

### Person-to-person calls

This is the most expensive type of long distance call. Call person-to-person to reach a particular person or extension number. Dial the call and when the Operator comes on the line, say you are making a person-to-person call and give the name of the person you want to talk to.

### "800" WATS telephone numbers

Long distance calls can be made without charge when calling those businesses and people who have "800" WATS numbers.

To call an "800" number, dial:

**1 + 800 + the phone no.**

You can get the telephone numbers of those businesses and people who have "800" numbers by dialing:  
**1 + 800 + 555-1212**

### 900 Service

900 telephone numbers are usually offered by businesses, broadcast stations, or other organizations for the purpose of allowing callers to register opinions or listen to special recorded information. These calls generally cost a minimum of 50¢ plus tax. 900 calls cannot be made from public (coin) phones, billed to another number, Calling Cards or a hotel/motel phone.

To call a 900 number, dial:

**1 + 900 + phone no.**

### Mobile and marine calls

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships which have phones by dialing direct or calling the Operator. For information on other communication companies look in the Yellow Pages, under the headings of "Paging and Signaling" and "Radiotelephone Communications."

## Conference calls

You can talk with several people in different places at the same time by dialing the Operator and requesting a conference call. Give the Operator the names and telephone numbers of the people you want to talk to. You can arrange a calling time in advance.

## International calls

You can dial international calls directly from most telephones in this area. Follow the instructions below.

### Dialing instructions

#### Station-to-station calls

To dial international calls, dial in sequence:

1. The International Access Code — **011**
2. The Country Code\*
3. The City Code\*
4. The local telephone number
5. The "#" button — where telephone is equipped with Touch-Tone dialing.

#### For example:

To place a dialed station call to Frankfurt, Germany dial:

International Access Code	Country Code	City Code
<b>011 +</b>	<b>49 +</b>	<b>611</b>
<b>+ telephone</b>	<b>+ #</b>	<b>button if Touch-Tone dialing**</b>
Local number		

\*A brochure on international calling is available from your Business Office.

\*\*Touch-Tone dialing saves additional time by using this step.

For rates on calls to international points, please call the Operator.

### Operator-assisted calls

To dial person-to-person, collect, Calling Card and billed to a third number international calls, follow the instructions given above but use "01" for the International Access Code. After the call is dialed, the Operator will come on the line to ask for information such as the name of the person you are calling or your Calling Card number. After dialing any international call, allow at least 45 seconds for the ring to start.

## Long Distance rates within Indiana

Rates for all types of calls within Indiana are based on distance, time of day and length of the conversation.

There is a 1-minute minimum charge for all long distance calls. Additional minutes cost less than the first minute.

## Lowest rates — dial-direct one-minute rates

Dial-direct calls are those completed from a residence or business phone without operator assistance. On dial-direct calls, you pay only for the minutes you talk.

## Additional savings apply evenings, nights and weekends.

## Calling Card and Operator assistance charges

Service charges will apply when a customer requests assistance in placing a long distance call.

All conversation time will be billed according to dial-direct rates.

The following service charges will be added when assistance is requested:

### Customer dialed Calling Card (station-to-station) \$ .50

### Operator station

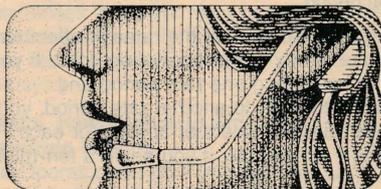

Third number billed,	\$ .55	1-16 miles
public (coin) phone,	1.00	17-30 miles
collect, time and charges, certain hotel guest calls and Operator dialed Calling Card calls	1.50	31-316 miles

### Operator person-to-person

\$3.00 all mileages

Charges are based on the rates in effect for the time of day at the originating point. If you start a call during one rate period and continue through to another rate period, you will be billed the rate that applies for each period. For example, if you begin a ten-minute call at 10:58 p.m., you will be billed for two minutes at the 35% discount rate and for eight minutes at the 60% discount rate.

- **Holidays** — New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day calls dialed direct are billed using the night rate. (Does not apply to other days designated to celebration of these holidays.)
- **A federal tax** applies to all charges.
- **A state tax** applies to calls within Indiana from non-coin telephones.
- **Rates and periods** indicated subject to change without notice.

The rates on this page were correct as of the date this directory was printed. Current rates and charges are always available from your Business Office.

## Long distance rates to other states

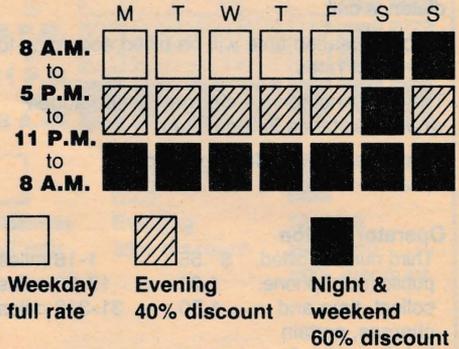

Rates for all types of calls are based on distance, the time of day that you make the call and the length of the conversation. An additional charge for Operator assistance or Calling Card calls may also apply.

All types of calls have an initial rate period of one minute. If calls exceed one minute, the additional time is billed in one minute increments at a lower rate than the initial period.

Charges are based on the rates in effect for the time of day at the originating point. If you start a call during one rate period and continue through to another rate period, you will be billed the rate that applies for each period. For example, if you begin a ten-minute

call at 10:58 p.m., you will be billed for two minutes at the 40% discount rate and for eight minutes at the 60% discount rate.

**Indiana Area Codes**

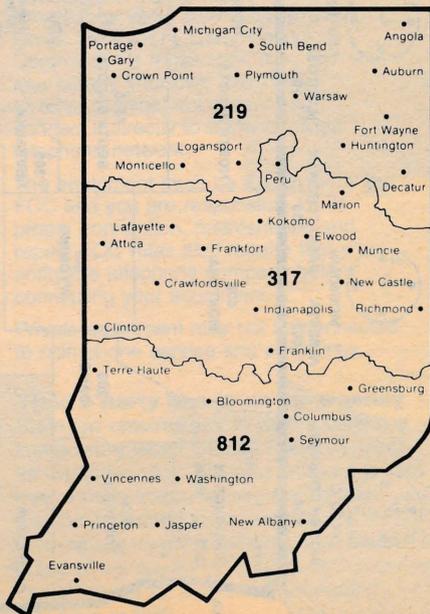

Each area has a three-digit Area Code. The Area Code for this directory is indicated on the front cover and on your telephone.

The Area Code of the telephone you are calling should be dialed, or given to the Operator if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

**Consult Area Code list on page that follows for specific cities not indicated on these maps.**

**If you want the Area Code for a place not listed, dial the Operator.**

## Consumer rights

### How to complain

Your Service Representative has a basic responsibility to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a supervisor. If your problem can't be solved by the supervisor, ask for the Manager or higher levels of management.

If you are not satisfied you may file a formal complaint or a request for a conference with the company in person, by telephone, by letter or by using a complaint form available from the company or the Public Service Commission of Indiana. The company will promptly investigate your complaint and contact you regarding its solution. No service will be disconnected for at least 10 days after the company has notified you of its disposition. If you are still not satisfied you may appeal your case to the Public Service Commission of Indiana for an informal review. The request to the commission should be made in writing within 7 days following the date the company's notification was mailed to you and should indicate that a copy is being sent to Indiana Bell. Your request should be mailed to:

**Public Service Commission  
of Indiana**

Attn: Consumer Affairs Director  
901 State Office Building  
Indianapolis, IN 46204

The commission shall provide an informal review within 21 days, with a full written decision mailed to you and the telephone company no later than 30 days after receipt of your request.

### How to get credit for loss of service

If you are unable to make or receive calls and your phone is out of service more than 24 hours after you have reported it, you are entitled to credit on your next bill for the local service charges. Call your Service Representative if you do not receive credit.

### Reviewing Tariffs and Rules and Standards for Telephone Utilities

Tariffs which show telephone rates, and regulations, and Rules and Standards of Service for Telephone Utilities, as approved by the Public Service Commission of Indiana, are available for public inspection.

### Directory errors, omissions and liability

#### Notice to all directory users and customers —

Although every effort is made to make this directory as accurate as possible, errors or omissions sometimes occur. Indiana Bell does not guarantee the accuracy of listings and is not liable for damages resulting from errors or omissions in those listings for which no charge is made. Its liability in the case of listings for which there is a charge is limited to the amount the customer has actually paid for the listing during the life of the directory. Any error or omission should promptly be reported to the Business Office, whose telephone number appears on your monthly bill, so that we can correct our records.

## Consumer responsibilities

### Providing your own equipment

Under the Federal Communications Commission's registration program, you may supply your own telephone or other terminal equipment and connect it directly to the nationwide telephone network.

The equipment must be approved by the FCC and you are responsible for its proper connection, maintenance and repair. FCC rules also require that you notify the telephone company before connecting your equipment.

Private equipment may not be connected to coin phone service and party lines.

### Yield a party line in an emergency

State law requires you to yield a party line immediately when told the line is needed for an emergency. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The penalty for either offense shall be a fine of not more than \$1,000 or imprisonment for a term not exceeding 180 days or both.

## For your protection

### Our employees carry company identification cards

For your safety every Indiana Bell employee is required to carry an identification card showing his or her name, and a photograph. If you have any doubt whether people are from the phone company, please ask to see their card.

### Recorded calls require a beep tone

If your conversation is being recorded for business or other reasons you will hear a beep tone every 15 seconds. Use of a recorder without a recorder-connector containing a beep tone warning device is not permitted, except on emergency reporting systems, including police and fire department lines.

### Unlawful wiretapping is subject to prosecution

It is a crime under federal law for any person, including a telephone subscriber, to wiretap or otherwise intercept a telephone call, unless that person has first obtained the consent of one of the parties actually participating in the call. Properly authorized law enforcement officers can engage in interceptions without the consent of either party when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for five (5) years, a \$10,000 fine, or both.

### Fraudulent callers are subject to prosecution

It is illegal for another person to charge long distance calls to your number or credit card without your permission. Persons placing such calls are subject to prosecution under both federal and state laws.

### How to handle obscene or harassing calls

It is a crime under both Indiana and federal laws for anyone to make obscene or harassing phone calls. These laws impose fines of up to \$1,000 and imprisonment for up to 180 days. A brochure about handling obscene or harassing calls is available from your Service Representative.

## Telephone Safety

The telephone is one of the safest appliances in your home or office. There are, however, a few situations where a telephone user needs to be cautious.

### Use of the telephone near water.

The telephone should not be used while you are in a bathtub, shower or pool. Immersion of the telephone handset in water could cause an electrical shock.

### Use of the telephone during an electrical storm.

You should avoid using a telephone during an electrical storm. Although the Bell System uses protective measures to limit abnormal electrical surges from entering your home, absolute protection is impossible. There is a remote risk of a dangerous electrical shock from lightning.

### Use of the telephone to report a gas leak.

If you think you've found a gas leak, you should not use a telephone in the vicinity of the leak. The telephone contains electrical contacts that could generate a tiny spark when you lift the handset and dial.

## Consumer Services

Many telephone employees are available as speakers and our film library carries a variety of films for all ages and interests. For a free brochure about our programs, or to schedule a speaker, call **1-800-562-2612**.

To order films write:

Modern Talking Picture Service  
Attn: Scheduling Center  
5000 Park Street North  
St. Petersburg, Florida 33709

There is no charge for films or speakers.

### Consumer information

If you have a question about a policy, practice or procedure, let us know. We'll answer promptly. We also will be glad to meet with consumer groups to give information or answer questions about telephone service.

Just contact your Business Office or:

# Services for Special Needs

**IF YOU HAVE A PHYSICAL IMPAIRMENT  
THAT INTERFERES WITH YOUR USE OF  
THE TELEPHONE, PLEASE LET US  
KNOW.**

If you have a problem using your phone let us know. A solution may be right on hand. If it is not, we may be able to arrange a special combination of services to meet your needs.

For more information, just call your local Bell Telephone business office.

**We want to help.**

**Indiana Bell**

**Call us BEFORE you dig.  
You May not be able to  
afterwards.**

One slashed telephone cable can disrupt service for thousands - including you. So before you dig, call **1-800-382-5544**. We'll come out and show you where the cables are.

## CULVER

### DIRECTORY ERRORS, OMISSIONS AND LIABILITY

#### NOTICE TO ALL DIRECTORY USERS AND CUSTOMERS

Although every effort is made to make this directory as accurate as possible, errors or omissions sometimes occur. Indiana Bell does not guarantee the accuracy of any listing or advertisement. The company is not liable for damages resulting from errors or omissions in those listings for which no charge is made. Its liability in the case of listings or advertisements for which there is a charge is limited to the amount the customer has actually paid for the listing or advertisement during the life of the directory. These conditions are part of those stated on the application for directory advertising. Any error or omission in the Yellow Pages should be reported promptly to the Yellow Pages Service Bureau, (317) 265-8919 (Call Collect).

**"TELL E'M HOW YOU FOUND THEM"**

Yes, when you buy anything from a pizza pie to a polka dot tie, tell the business person: "I found you in the Yellow Pages."

You see, folks in business are always anxious to find out the results of their advertising; and when they hear the good news of how hard their advertising dollars in the Yellow Pages are working for them, they know they've made a wise investment, know that the Yellow Pages is the modern, easy way for buyers and sellers to get together.

**Bell System Yellow Pages**

**4 OUT OF 5 LOOK IN THE BOOK**

Each year, 112 million people use the Yellow Pages to find things fast. That's 4 out of 5 adults who let their fingers do the walking.

# Looking for Something?

Save Time  
and Steps . . .

- Find it fast in the YELLOW PAGES • Handiest Buyers' Guide in town!

PEOPLE  
WILL  
FIND  
YOU  
FAST,  
AND  
OFTEN  
IN THE  
YELLOW  
PAGES.

## FOR A SUCCESSFUL YELLOW PAGES ADVERTISING PROGRAM JUST FOLLOW THESE 7 SIMPLE STEPS.

**1.** Tell the people what you will do for them. How you're different.

**2.** Be under the proper headings so people can find you fast. Should you be under more than one heading?

**3.** Use your logotype to gain recognition. Give facts about your qualifications.

**4.** Tell people about your special services . . . repairs, rentals.

**5.** List the products you carry.

**6.** Tell how easy it is to deal with you . . . credit, parking, hours, delivery.

**7.** Give telephone number and address, and if you're hard to locate, give directions.

PAGES?  
JUST  
ABOUT  
EVERYONE.**

\*Based on an independent survey conducted by  
Chilton Research Services

**4 OUT OF 5 ADULTS USE THE YELLOW PAGES...** to locate a product or service. That's 112 million people or over 80% of the adult\* population.

**AND THEY USE THE YELLOW PAGES FREQUENTLY...** over a 12 month period, Yellow Pages users averaged almost 34 references each, or more than 3.9 billion references.

**AND 9 OUT OF 10 TIMES THE YELLOW PAGES GET ACTION...**84% of all references were followed up by a visit, a phone call, or a letter.

**THE YELLOW PAGES BUILD BUSINESS SALES...** 38% of the Yellow Pages references were for business use.

**THE YELLOW PAGES BUILD CONSUMER SALES...** 62% of all references were for personal use.

**PEOPLE WHO KNOW YOU PREFER TO FIND YOU IN THE YELLOW PAGES...** 43% of the references were to the Yellow Pages instead of the white pages even though the name was known.

**BUT HALF THE PEOPLE WHO USE THE YELLOW PAGES ARE LOOKING FOR ANYONE...** 51% of the references were made without the name in mind.

**SO MAKE YOURSELF EASY TO FIND**

**watch
